For immediate release

22 December 2006

MEDIA STEPS GROUP PLC

("Media Steps" or the "Company")

Unaudited Interim Results for the six months ended 30 September 2006
and AGM

The results for the six months ended 30 September 2006 covers the period when the Company disposed of its principal trading subsidiary for nominal consideration. As full provision was made for the losses arising from this transaction in the results for the year ended 31 March 2006, the interim results purely reflect the trading of the holding company.

As all overheads were cut to zero after the trading company was disposed of on 30 June 2006, the ongoing costs represent the costs associated with maintaining our AIM listing and professional fees.

As announced on 22 December 2006 the Company has now managed to secure new finance, conditional upon, inter alia, shareholder approval. At the same time agreement has been reached with the Group's principal creditors for sums considerably less than the provision contained in the last report and accounts. The exceptional item represents the release of this provision.

At the Annual General Meeting of the Company held on 22 December 2006 all the resolutions were duly passed.

I hope we can now look forward to a brighter future for the business, subject to completion of all the proposed refinancing proposals.

4 Basis of Preparation

The Interim figures have not been audited. The interim financial statements do not constitute statutory accounts within the meaning of Section 240 of the Companies Act 1985 and were approved by the Directors on 21st December 2006.

The earnings per share for the 8 months ended 30 September 2005 are calculated on the basis of the weighted average number of shares in issue during the period being 54,457,627. The earnings per share for the six months ended 30 September 2006 and the 12 months ended 31 March 2006 are calculated on the basis of the weighted average number of shares in issue during the period being 72,000,000.

The figures do not include any trading results of subsidiary companies sold on 30th June 2006 on the basis that full provision for losses on the sale of those subsidiaries were made in the audited figures for the year ended 31st March 2006. The interim figures therefore show the holding company activity only, which represents the continuing activities.

5 Copies of this statement are available at the registered office of Media Steps Group Plc, 5th Floor, 17 Hanover Square, London, NW1 1HU.

6 Exceptional Item

The exceptional item relates to a reduction in the provision relating to the potential claim for breach of contract with Mr J E Farmer, the former Sales Director.
